Dear Madam or Sir:

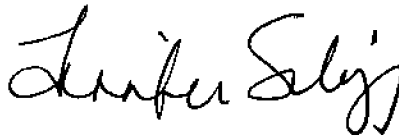

**RE: Dr. Gábor Lukács v. Canadian Transportation Agency
Federal Court of Appeal File No.: A-218-14**

I write in response to the Applicant's letter of February 18, 2015 seeking direction from the Court.

The Privacy Commissioner of Canada takes no position with respect to the Applicant's request to have the two documents referred to in his letter added to the Record in this matter. To be clear, the documents sought to be introduced by the Applicant were not filed on behalf of the Privacy Commissioner and do not reflect the Privacy Commissioner's position.

With respect to the Privacy Commissioner's authorities at Tabs 15 and 19 of the Privacy Commissioner's Memorandum of Fact and Law, the Privacy Commissioner provided these documents in support of the legal issues raised in this matter. The introduction of these authorities does not reflect an attempt to introduce evidence relating to any particular facts.

Yours truly,

Jennifer Seligy
