RE : *Dr. Gábor Lukács v. Canadian Transportation Agency (A-39-16)*

DIRECTION

The memoranda filed on the confidentiality motion have left the Court in a state of confusion about scheduling.

The parties wanted the matter to be expedited; now they both suggest that the matter should be heard with the proposed appeal in file no. 16-A-17.

The parties should proceed on the basis that the application is not expedited. If leave is granted in file no. 16-A-17, the parties may bring a motion to have this application heard with file no. 16-A-17 and for any other scheduling relief.
